

28th NZ National Morris Minor Convention

Hosted by Central Manawatu Morris Minor Club in Palmerston North

2-4 April 2021

Hello to all our Morris Minor Club Federation members. It is with pleasure that the Central Manawatu Morris Minor Club has attached details of the upcoming convention that is being hosted by ourselves.

We are looking forward to seeing you all again and remind you all that there will be a Best dressed in era of your car on the Saturday night, and Rocker cover races on the Sunday during our lunch stop.

Remember those coins/dollars for the raffles and auctions.

A couple of things to note:

With COVID still lingering at times, it has meant that unfortunately some of the costs we anticipated have increased, but in saying that we have done our best to keep these as low as possible.

On Saturday during the judging our venue has specified NO SILICONE on the tyres. This will not impact on the judging of your vehicle and we thank you for obliging this request.

If you are not staying at the Coachman can you please let us know on your registration so that a parking space can be reserved for you each evening.

For those of you who may be towing their Morrie to the convention and need to park their conventional car and trailer over the weekend, let us know as we have a local member who is only 9km away who has parking space.

We would like to have the registrations in by 31 January 2021. A late registration fee will apply after this date.

And if we could please have the signed vehicle details forms in by the end of February 2021. This will allow us to organise and finalise all of our bookings with providers.

The two bus trips to choose from are as follows:

Rush's

A family collection of vehicle memorabilia, the Rush collection includes a handful of Formula 5000s amongst other vehicles. A great collection and listed as one of the 75 things every kiwi car person should do before they die in November 2015 by NZV8.

Marilyn's

This is a private collection of teddy bears, Barbie dolls, a large Christmas collection and many more items to browse around, that are housed in a specifically built barn. An impressive collection which has taken many years to collect.

I look forward to hearing from you

Ann Jayet

Convention Convenor and Convention Committee
